

Piktochart Tutorial

How to create a piktochart:

- ✚ First go to <https://piktochart.com/> and open the page
- ✚ Then you sign up by entering your email and name ect.
- ✚ On the right hand side click presentation and then either choose blank or your chosen design.
- ✚ The page will open blank like the image.
- ✚ To enter text, image or videos you click on the button with the corresponding icon to create your presentation.
- ✚ You repeat this to make however many slides you wish for.
- ✚ To add slides you click on the big + button.
- ✚ When you have finished you press the save button and your work will save onto the desktop of the web page.
- ✚ You will be able to access it by clicking on the presentation .
