The screenshot shows the homepage of Piktochart. At the top, a dark blue banner contains the text: "We've just launched Piktochart for Teams. A smarter way to collaborate for today's visually-driven teams. [Try now!](#)". Below this is a teal navigation bar with the Piktochart logo on the left and menu items: "FORMATS", "FOR TEAMS", "PRICING", "BLOG", and "SUPPORT". On the right side of the navigation bar are two buttons: "LOG IN" (white with black text) and "SIGN UP" (pink with white text). The main content area has a teal background. On the left, there is a yellow triangle icon. The central text reads "Easy-to-Use Infographic Maker" in large white font. To the right of the text is a yellow square icon with a dotted pattern. Below the main text, there is a paragraph: "No complex design software. No heavy designer fees. Just a simple, intuitive tool that helps you tell your story with the visual impact it deserves." At the bottom, there are two buttons: "START FOR FREE" (pink with white text) and "WATCH DEMO" (white with black text and a right-pointing arrow).
